Preliminary notice of our well known

43rd International Tournament
“Kampf um den Goldenen Ball“
Saturday, Nov. 6th 2010 in Mülheim/Ruhr (Ger)
The world's oldest underwater-rugby tournament!

Beside the leading German teams, we expect a number of international attendances of men and women teams...

Enriched by a supporting program for partners, we don't want to limit this weekend to a pure sports event. Therefore, please join us with your partner and enjoy the exiting games in the swimming pool but also the party afterwards together with your partner.

This tournament will take place on the 6th of November 2010. Swimming hall “Hallenbad Süd”
Below we would like to highlight the key points/changes of the tournament:

- **We have complemented a women's cup.** Therefore, we would be very happy to welcome some international women teams additionally
- **Fantactic festive evening.** In a new location on the river Ruhr we are going to provide good food in a very pleasant atmosphere. Therefore we have defined a dress code. No sports wear! The new location will be very central and good to access. The party is supposed to be one of the big highlights of the whole event.
