## PI Dyk proudly presents PI-CUP 2004

On the 23-10-2004

At the newly restored Øbro-badet. The basin 25 m x 12,5 m x 5 m provides the UW-rugby game with a very different game due to its dimension a very narrow basin but still 5 meter deep, so the transformation from defence to being in an attacking position is incredibly fine.

**Øbro-Hallen is located at  
Gunnar Nu Hansens Plads 3  
2100 København Ø**

There are good parking space and public transport.

It's not allowed to bring glass bottles into the swimming ground; it's possible to purchase soft drinks and small meals at the café for reasonably prices.

### Program for the Tournament:

07:15	Referees meeting
07:30	Teamleader meeting of all teams
07:45	Installation and checking of the equipment first two teams
08:00	Tournament begins
